Co-Curricular Code of Conduct Student and Parent Responsibility Agreement

All secondary students who participate in the privilege provided through co-curricular programming will read and acknowledge the expectations set forth in policy 10.15. This document will be reviewed, signed, and filed in the Secondary School office on an annual basis. Participation in Gibraltar co-curricular programs is a privilege. Students may exercise their privilege by complying with the following rules:

- Complete all requirements for participation (Physical, Fees, Code);
- Abstain from being in the presence of illicit alcohol and drug use;
- Abstain from the use, provision, sale, and /or possession of alcohol, tobacco products, controlled substances, mood altering substances, or look-alike drugs;
- Attend class without truancy;
- Maintain behavior that does not violate school, suspension rules and/or Wisconsin felony statutes;
- Maintain a cumulative GPA at or above 1.5 without any failing grades.

The consequence for non-compliance is non-participation. The rules apply 24 hours per day and 365 days per year. These signatures attest that the students and parent understand the intent and implications of the Co-Curricula Code of Conduct, and agree to comply with the Code as a requirement for participations in the Gibraltar co-curricular programs.
